CODE OF CONDUCT

The Criminal Justice (Scotland) Act 1980 states that it is an offence to carry alcohol on a supporters' bus or to be under the influence of alcohol whilst travelling to or from a football match. Failure to comply will result in proceedings against the offender, the bus organiser, the driver, the bus company and the football club. Each can be fined up to £1000.

Therefore we ask that you observe the following:-

- Do NOT bring any alcohol on to your bus at any time. *
- Do NOT drink to excess before or after the game.
- Do keep your bus tidy and use the litter bags provided.
- Return to your bus at the correct time - or be left behind !
- Refrain from foul or abusive language - you may offend others.
- Do NOT smoke on your bus – all buses are non-smoking.
- Enjoy your day out - and help others to enjoy theirs.

* Stewards have been instructed to inspect liquid containers at random. If alcohol is suspected the container will be confiscated and placed in a rubbish bin. If inspection is refused, the owner will not be allowed to travel any further and money already paid will *not* be refunded.

You are reminded that Bus Stewards have authority to immediately expel offenders from the bus.
